

COLFAX PLANNING COMMISSION

February 25, 2021

CALL TO ORDER:

Randy Daniels called the meeting to order at 5:34pm.

ROLL CALL:

Randy Daniels, Don Moore, Donna Huntwork and Austin Storm Present.

Also present Steve Bretveld, Building and Community Development Associate for the City

APPROVAL OF MINUTES:

A motion was enter by Huntwork, second by Storm to approve the minutes from January 14, 2021 meeting as presented. Roll call: All yes.

OLD BUSINESS:

The commission returned to the sign code and the proposed updates presented by Bretveld.

There was a round of discussion pertaining to the changes, one being to simply allow the home occupation section 17.04.090 to be a part of the Signs in Residential Zone section 17.40.040.

There was discussion on the size of sign in a residential zone. Bretveld will review what other municipalities allow with home occupation signs for next time.

A question was brought up about "Activist signs," after some discussion, it was deemed more along the lines of "free speech" and the commission didn't feel as though this was something they needed to address.

The commission decided to table the animal code for next meeting. Bretveld went over a few changes that were made with the help of the commission. A question was asked about section 6.16 and how this will be enforced. Bretveld said he would ask the police chief to give some feedback on this section for next meeting.

Huntwork asked about discussing chickens since we were working on the animal code. Bretveld suggested she approach the council at the next meeting and see where that leads before the commission spends time trying to add that to the code.

NEW BUSINESS:

No new business

ADJOURNMENT:

Daniels adjourned the meeting at 6:28pm. Next meeting on March 11th, 5:30pm; Moore mentioned he would not be able to attend.

Minutes by Steve Bretveld

Building and Community Development Associate
